SUMMARY OF TALENT POOLS CANVASSED

A) Resources on Tap - www.resourcesontap.co.za

The Resources on Tap website provides you the Employer with access to the confidential "Profiles" of industry specific Candidates, categorised by:

- Geographical Region
- Industry Category
- Job Title
- Level of Experience

Based on the information on view, you may request to view the full Curriculum Vitae of the candidate profiled. The CV of the candidate will be forwarded to you once we have their prior consent to do so. It would then be the responsibility of the Employer to move the recruitment process forward and be in direct contact with the candidate. A Recruitment Fee only becomes payable to Resources on Tap upon the successful appointment of the candidate.

IMPORTANT: The database of candidates on Resources on Tap is a **representative sample** of the Lewyll Communications database of candidates - who have **elected** to list their Profile on the Resources on Tap website. This in compliance with the *Protection of Personal Information Act* - more commonly referred to as the POPI Act.

B) Lewyll Communications database of Candidates

Your ideal candidate not showcased on www.resourcesontap.co.za ? Not a Problem!

The Lewyll Communications team will conduct a **full search** of our entire database, and provide Employers using the Resources on Tap initiative with the CV's of candidates identified who are not listed on the website, and move the process forward under the same T&C's as agreed, as a *Subscriber* or a *Non-Subscriber* of Resources on Tap.

C) Refreshing of Candidate Database

As a matter of course, we are continually active in our efforts to attract fresh talent to register on our greater Lewyll Communications database who have the qualifications and experience aligned with our industry sector focus. The ratio of candidates on our database

who are "opting-in" to register a Profile on Resources on Tap is on the rise in response to campaigns being rolled out. No doubt more candidates will follow this trend.

Should you require any further information, either Rob or Michelle will gladly provide you with clarity on the details you require. robj@lewyll.co.za or michj@lewyll.co.za
